

Helens Bay Dental Practice

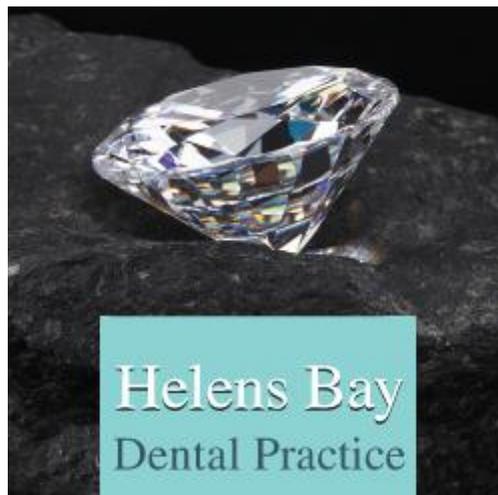

Welcome to our latest November issue!

November is Diamond Polish Month at Helens Bay and we are brightening smiles and restoring your natural sparkle.

If you are looking for a super clean with fabulous cosmetic results, our diamond polish is for you. First, you will receive an ultrasonic clean, a hand scale, and finish with our airflow treatment for the ultimate stain removal and final hand polish for smooth finish.

If you attend routinely, upgrade your next hygiene appointment to our diamond polish!

I am delighted with the results and can't thank Sarah enough!

"I started to visit Surgeon Sarah Lochhead for orthodontic treatment after referral from my own dentist. From the beginning Sarah made me feel comfortable and reassured. The level of patient care was exemplary. I commenced my treatment with braces in June 2015 and completed my treatment just a short 9 months later. **I am delighted with the results and can't thank Sarah enough.** I am generally an anxious patient due to high sensitivity, Sarah and her team always put me at ease, ensuring all my treatments were stress free."

I would highly recommend Sarah and all the team at the practice.

Sincerest thanks,

- Andrea

Team spotlight

During the months of March & April we were delighted to run a Facebook campaign in which we donated £1 to Assisi animal sanctuary for every like received to our page.

We had an overwhelming response from our lovely patients and their friends and were able to raise a whopping **£312** for Assisi!

Alexis, our receptionist, has been volunteering recently with Assisi and was delighted to be able to deliver the cheque to the sanctuary. She was amazed by the hard work that goes into looking after and re-homing the animals and by the sanctuary who do such a wonderful job - it was a pleasure to be able to support this cause.

We would like to send a huge thanks to our patients and friends of the practice who liked our page during this time as we know what a huge difference this will make to the little furries in their care.
